## Church Goals and Enabling Objectives for 2022

**Goal One: Evangelism** — Reaching out in Christ’s Name to our Community.

**Enabling Objectives (How-Tos):**

1. Commit to speaking to one person, positively, about Redeemer Presbyterian Church at least once each week. This will build towards evangelism as a practiced virtue.
2. Commit to invite two people to our Worship Service each month.
3. When prompted by the Spirit to share the gospel with your “neighbor,” respond in obedience. Learn the skill of being Spirit-led.
4. Commit to intentionally building social networks (various mediating institutions) with the intention of building missional friendships.
5. Pray daily for the Lord to open up doors through which to share His glorious gospel with your newfound social networks.

**Goal Two: Christian Formation** — Being formed into Christ’s image.

**Enabling Objectives (How-Tos):**

1. Commit to reading the Bible and praying daily.
  2. Commit to pray for the Pastor, Session, and Committee chairs once a week.
  3. Commit to attending church services and programming—*Chronos* Groups and Christian Education (Sunday School)—with regularity.
